

Why Did She Go?

Fool's Garden

Mother's waiting in the kitchen
The elephant's waiting in the zoo
The teacher's waiting in the classroom
And I am waiting here for you
And the audience is waiting
For the show that won't begin
The artist's waiting at the backdoor
Because nobody let him in
Why did she go
She said there's no tomorrow
How did she know
Did anybody tell her
I can't explain
I'm sitting in the corner

Staring at the wall
And she won't come back again
Luise was waiting for a client
First he paid and then he came
Now she's cooking for a baby
The client wasn't seen again
It's time you started to think
Seriously about
Your future and your dreaming
She said and didn't leave no room for doubt
That if I took her meaning
There was no longer dreaming
It's just a perfect screaming
