Freak Like Me

Halestorm

I'm on the train that's pulling the sick and twisted,
Making the most of the ride before we get arrested,
We're all wasted, and we're not going home tonight!
Covered in black, we lack all social graces,
Just like an animal we crawl out of our cages,
They can't tame us, so if you're one of us get on the bus!
If you're a freak like me, wave your flag,
If you're a freak like me, get off your ass,
It's our time now to let it all hang out.
So shout if you're a freak like me, you were born to burn,
This is no disease, you don't need a cure,
It's our time now to come out,
If you're a freak like me!
If you're a freak like me!
We're underground but we will not surrender,
We're gonna give them something to remember, yeah,
So write your name in gasoline, and set that shit on fire!
If you're a freak like me, wave your flag,
If you're a freak like me, get off your ass,

It's our time now to let it all hang out.
So shout if you're a freak like me, don't apologise,
They can't hold you down, you were born to rise,
It's our time now to come out,
If you're a freak like me!
If you're a freak like me!
Are you a freak like me?
Are you a freak like me?
If you're a freak like me, wave your flag,
If you're a freak like me, get off your ass,
It's our time now to let it all hang out.
So shout if you're a freak like me, don't apologise,
They can't hold you down, you were born to rise,
It's our time now to come out,
If you're a freak like me!
If you're a freak like me!
If you're a freak like me!
If you're a freak like me!
If you're a freak like me!
