Race of Doom

Devo

Race of doom
Is it on
Is it off
ReplyIt's a matter of time
It's a matter of luck
It's a factor of chance
'Til i self-destruct
You fire at random
I'm under attack
Strapped in and freewheeling
Flying off the trackI want to be your time bomb
Let me be your time bomb baby
I want to be your time bomb
Please let me be your time bomb baby
Everywhere there is dangerAbsolutely for real
Subliminal feelings
Too strong to conceal
Unscramble your program
My turn to unload
Unbelievably certain
Guaranteed to explode
