Last Dirty Deal (Remastered)

Coco Montoya

This is it now, darlin'
Lord, I've had my fill
My well's run dry
You emptied my till

I was young and foolish
But now I am old and wise
And I've seen your games
From such different heights

I used up all the patience
I did every bottle of steel
It's all over, baby
You done your last dirty deal

Is it one special man
Or is it someone I know?
I should have asked these questions
A long time ago

There ain't no use in you talkin'
Your story's fallin' flat
Now come on, baby
Can you lie no better than that?

I never hit me a woman
But don't ask me how I feel
It's all over, baby
You done your last dirty deal
Oh, done your last dirty

Oh, I'm fed up now, baby
'Coz I've already made up my mind, yeah
Oh, you drive me, woman
For the very last time, oh yeah

Go on home now, darlin'
'Coz this time the hurt won't heal
It's all over, baby
You done your last dirty deal, yeah
