

Golden Brown

Emer Kenny

Golden brown texture like sun
Lays me down with my might she runs
 Throughout the night
 No need to fight
Never a frown with golden brown

Every time just like the last
On her ship tied to the mast
 To distant lands
 Takes both my hands
Never a frown with golden brown

Golden brown finer temptress
Through the ages she's heading west
 From far away
 Stays for a day
Never a frown with golden brown

Never a frown
With golden brown
 Never a frown
 With golden brown
