

Timothy Gone

TIMOTHY GONE Words and Music by Margo Guryan I woke up in the mornin'

And there was Timothy gone

He didn't give me warnin'

Oh where has Timothy gone Where is Tim anyway

I don't want him anyway

I just want to know anyway

Where has Timothy gone A lotta people sayin'

That I put Timothy down

A lotta people sayin'

That I turned Timothy 'round A lotta people sayin'

That I put Timothy on

But ain't nobody sayin'
