All I Want

Susanna Hoffs

Can't ignore or hide away
Can't escape from the things that line our way
Take it, leave it, break it
Anyway, you can't get back to yesterdayAll I want, all I wanna do
You better listen from now on
Stop what's goin' on, stop what's goin' wrong
You better listen from now onConfidence, coincidence, call it a sin
It's just like people say
Tomorrow's here so open up your eyes
Never hesitateAll I want, all I wanna do
Is make you listen from now on
Sleepin' in the dark, dreamin' of the stars
Keep one to wish on from now on
Oh, oh, oh, wohIt makes me want to give you everything
Pick you up and take you home again
Hold you tight and think that now is thenAll I wanna do, all I wanna do
You better listen from now on
Open arms or cryin' eyes, say, "Hello or wave goodbye"
Which one are you thinkin' of
Oh, oh, oh, wohAll I wanna do, all I wanna do
Is make you listen from now on
Stop what's goin' on, stop what's goin' wrong
From now on'Cause all I wanna do, all I want to say
You better listen from now on
Sleepin' in the dark, and dreamin' of the stars
Keep one to wish on from now onAll I wanna do, all I wanna say
Is everything I feel from now on
