## **All Time Low**

Gyeah, Rihanna Good Girl Gone Bad Take three, action No clouds in my storms Let it rain, I hydroplane into fame Comin' down like the Dow Jones When the clouds come, we gone We Roc-A-Fellas We fly higher than weather And she flies it better You know me, in anticipation for precipitation Stack chips for the rainy day Jay, Rain Man is back with Little Miss Sunshine Rihanna, where you at? You had my heart, and we'll never be worlds apart Maybe in magazines, but you'll still be my star Baby 'cause in the dark, you can't see shiny cars And that's when you need me there With you, I'll always share Because when the sun shines, we'll shine together Told you I'll be here forever Said I'll always be your friend Took an oath, I'ma stick it out to the end Now that it's raining more than ever Know that we'll still have each other You can stand under my umbrella You can stand under my umbrella (Ella ella, ay ay ay) Under my umbrella

(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay)
Under my umbrella
(Ella ella, ay ay ay, ay ay)

These fancy things will never come in between

You're part of my entity, here for infinity
When the war has took its part
When the world has dealt its cards
If the hand is hard, together we'll mend your heart

```
Because when the sun shines, we'll shine together
          Told you I'll be here forever
         Said I'll always be your friend
    Took an oath, I'ma stick it out to the end
      Now that it's raining more than ever
      Know that we'll still have each other
        You can stand under my umbrella
        You can stand under my umbrella
               (Ella ella, ay ay ay)
               Under my umbrella
               (Ella ella, ay ay ay)
               Under my umbrella
               (Ella ella, ay ay ay)
               Under my umbrella
          (Ella ella, ay ay ay ay, ay ay)
            You can run into my arms
   It's okay, don't be alarmed, come in to me
     There's no distance in between our love
          So go on and let the rain pour
          I'll be all you need and more
Because when the sun shines, we'll shine together
          Told you I'll be here forever
         Said I'll always be your friend
    Took an oath, I'ma stick it out to the end
      Now that it's raining more than ever
      Know that we'll still have each other
        You can stand under my umbrella
        You can stand under my umbrella
               (Ella ella, ay ay ay)
               Under my umbrella
               (Ella ella, ay ay ay)
               Under my umbrella
