

Earthquake

Family Force 5

Get down
(Shake like an Earthquake)
I saw shawty dancin' on the floor
I'm kinda' nervous to approach her though
She's so stylish like a supermodel
Should I meet her, yes I think you oughta
The needle dropped
My track was hot
We began to rock
Our eyes were locked
I love your song
Yeah girl, sing along
She said, 'DJ's make my heartache'
I said, 'Baby watch the place
Shake like an Earthquake?
Drop that 808
The wall's begin to shake
It's too much for the club to take
(It's shakin' like an Earthquake)
Devastation from the sounds I'm makin'
And there's no escaping from the bass
(It's shakin' like an Earthquake)
Ten point O, on the Richter scale
It's shakin' like an Earthquake, move your tail
'Bout that time my people all were quakin'
Another Ten point O, was in the makin'
Like a natural disaster
Run for the pasture
'Cause the bass will flow
Take you out like El Nino
It's rumbling, crumbling, all the way down
It's tumbling, fumbling, you love that sound
(Can you turn up the bass?)
Sorry girl, I can't hear in this place
(I have a request that I'd like to make)
Well, what you wanna hear girl?
Shake like an Earthquake?
Drop that 808
The wall's begin to shake

It's to much for the club to take
(It's shakin' like an Earthquake)
Devastation from the sounds I'm makin'
And there's no escaping from the bass
(It's shakin' like an Earthquake)
Ten point O, on the Richter scale
It's shakin' like an Earthquake, move your tail
Yo, it's not loud enough
Pump up the track
(Ready?, Okay)
Boom, boom, you broke it down
You broke it down, now build it up
Build it up, build it up
Boom boom, you broke it down
You broke it down, now shake it up
Shake it up, shake it up
Boom boom, you broke it down
You broke it down, now break it up
Break it up, break it up, ooh
Drop that 808
The wall's begin to shake
It's to much for the club to take
(It's shakin' like an Earthquake)
Devastation from the sounds I'm makin'
And there's no escaping from the bass
(It's shakin' like an Earthquake)
Ten point O, on the Richter scale
It's shakin' like an Earthquake, move your tail
Shake it on down, shake it on down
Shake it on down, move yourself
When you hear that sound
