I'm on it, get on it
The troops are on fire
Ya know I need it much closer
I'm tradin' just a little moreStep on it, electronic
The troops are on fire
I'm much deeper, a sleeper
Waitin' for the final tripCome on it, get on it
I'm carving through a letter bomb
I need it, loud potions
These drugs are just an hour awayCome on it, electronic
A polyphonic prostitute
The motors on fire
Messiah for the animalsAhh, oh, come on
We got our backs to the wall
Ah, get on and watch out
Sayin', "You're gonna kill us all"Ahh, I'm on it, get on it
The troops are on fire
You know I need it much closer
I'm tradin' just a little moreStep on it, electronic
The troops are on fire
I'm much deeper, a sleeper
Messiah for the animalsAhh, oh, come on
Say, "We got our backs to the wall"
Get on and watch out
Ah, before you kill us allAhh, oh, come on
Say, "We got our backs to the wall"
Get on and watch out
Ah, before you kill us all
