Let It Be Me

Harrison Craig

I bless the day I found you
I want to stay around you
And so I beg you
Let it be meDon't take this Heaven from one
Well if you must cling to someone
Now and forever
Let it be meEach time we meet love
I find complete love
Without your sweet love
What would life be?
So never leave me lonely
Tell me you love me only
Now and forever
Let it be meEach time we meet love
I find complete love
Without your sweet love
What would life be?
So never leave me lonely
Tell me you love me only
And that you'll always
Let it be me
