

Good To You

Marianas Trench

Everyone's around, no words are coming out
And I can't find my breath, can we just say the rest with no sound?
And I know this isn't enough, I still don't measure up
And I'm not prepared, sorry is never there when you need it
And I do want you know I hold you up above everyone
And I do want you know I think that you'd be good to me
And I'd be so good to you, I would
Thought I saw a sign somewhere between the lines
Maybe it's me, maybe I only see what I want
But I still have your letter to stock up between someone I just invented
Who I am really am and who I've become
And I do want you know I hold you up above everyone
And I do want you know I think you'd be good to me
And I'd be so good to you
You bring me higher
I would
And I do want you know I hold you up above everyone
And I do want you know I think you'd be good to me
And I'd be so good to you
I'd be good to you, I'd be good to you
I'd be good to you, I'd be so good to you
I'd be good to you, I'd be good to you
I'd be good to you, I'd be so good to you
