

# Turn Back Time

## Kindervater

Give me time to reason, give me time to think it through  
Passing through the season where I cheated you  
I will always have a cross to wear  
But the bolt reminds me I was there  
So give me strength to face this test of mine  
If only I had said what I still hide  
If only I could turn back time  
I would stay for the night, for the night  
Claim your right to science, claim your right to see the truth  
Though my pangs of conscience will drill a hole in you  
I've seen it coming like a thief in the night  
I've seen it coming from the flash of your light  
So give me strength to face this test of mine  
If only I had said what I still hide  
If only I could turn back time  
I would stay  
The bolt reminds me I was there  
The bolt reminds me I was there  
If only I could turn back time  
If only I had said what I still hide  
If only I could turn back time  
I would stay for the night  
If only I could turn back time  
If only I had said what I still hide  
If only I could turn back time  
I would stay for the night  
If only I could  
(If only I could)  
If only I could  
(If only I could)  
If only I could turn back time  
I would stay for the night  
If only I could  
(If only I could, if only I could)  
If only I could  
(If only I could, if only I could)  
If only I could turn back time  
I would stay for the night  
If only I could  
(If only I could, if only I could)  
If only I could  
(If only I could, if only I could)  
If only I could turn back time
