Hit The Lights

Black Tide

No life till leather
We'll kick some ass tonight
We got the metal madness
When our fans start screaming it's right, well alright, yeah
When we start to rock we never stop again
Hit the lights
Hit the lights
Hit the lights
You know our fans are insane
We'll blow this place away
With volume higher
Than anything today, the only way, yeah
When we start to rock we never wanna stop again

Hit the lights
Hit the lights
Hit the lights
With all our screaming
We're gonna rip right through your brain
We got the lethal power
It's causing you sweet pain, oh sweet pain, yeah
When we start to rock we never stop again
Hit the lights
Hit the lights
Hit the lights
Hit the lights
