Next In Line

Nevermore

I taste the tear to numb the fear
Trapped by the source of my infection
I play the martyr
Submerged in this pool
The corporation used me
Like they brainwashed you{Chorus}:
Life is seen so cold and benign
I don't want to be saved
I'm next in line to dieLabeled sick but I'm just a man
Everyone I love has left me for dead
This void illusion I suffer for
They made me their God
And I am so much more than you{Chorus}I don't want to be saved
I'm next in lineI taste the fear to numb the tear
Trapped by the source of my infection
Life is seen through heroin dreaming
Cold and benign
I don't want to be saved
I'm next in line to die
I don't want to be saved
I'm next in line and
I don't want to be saved{2x}
I'm a dead man, I'm a sick man
I'm the pilot of my destructionThe pilot of my destruction
