

# Look At The One Who's Been Looking At You

[Reba Mcintire](#)

Aren't you tired of lookin'  
For love you never find?  
Aren't you tired of  
Lover's playing games With 20-20 vision  
How is your heart so blind?  
It's all you wanted love to be  
Is close enough for you to see If you look at the one who's been lookin' at you  
Look at the one who's love would be true  
You might be surprised  
At the love that's shining in her eyes Look at the one who's so easily found  
Look at the one and stop lookin' around  
Look at the one who's been lookin' at you I'm standin' here just hopin'  
You're gonna look my way  
But you're too busy  
Chasin' dreams to see But when the dreams are faded  
There's gonna come a day  
That I can give you sweet, sweet love  
And all the things you're dreamin' of For if you, look at the one who's been lookin' at you  
Look at the one who's love would be true  
You might be surprised  
At the love that's shining in her eyes Look at the one who's so easily found  
Look at the one and stop lookin' around  
Look at the one who's been lookin' at you Look at the one who's been lookin' at you  
Look at the one who's love would be true  
You might be surprised  
At the love that's shining in her eyes Look at the one who's so easily found  
Look at the one and stop lookin' around  
Look at the one who's been lookin' at you
