

# Get On

## Third Day

So you think you had me  
Had me in your sights  
I've got news for you  
I'm working over time  
To get away from slander To stay away from lies  
I won't listen to you criticize  
Get on, get on, get on away from me  
If you're trying to bring me down If you're trying to bring me down  
Get on, get on, get on away from me  
If you're trying to bring me down  
If you're trying to bring me down I've been doing some thinking  
And I think you're wrong  
For trying to put down  
What I've been working on So if you want to break me  
You better stay away  
I won't listen, no  
I won't listen to you today Excuse me if I still question  
Carefully all of your intentions  
I've decided that I won't listen  
Because your words only bring division
