

Treehome95 (feat. Coco O and Erykah Badu)

Tyler, the Creator

You wanna hear the new song we just did?
It's not finished but yeah I want to go
I want to go
Baby let's go
To my treehome
TreehomeSpecial
So let's go
Lets go oh oh
Oh, lets go
I wanna goMmm
Treehome(Bridge)Colorful you are
Yeah, that won't stop
You're my favorite crayon in the box
Let's think outside the linesCome to my treehouse, yeah let's escape
Then let me go, head first in your lake
From what I heard, it's great
It's great(There's a party)Tuesday is good news day
Not usually a full tray
Can you pack your PJ's?(There's a party)Come into my treehome
Boy, you must be special
(I'm special baby)
No one ever comes hereTuesday is good news day
Now usually I
You must be special
Come into my treehome
Boy, you must be
(Let's go to my tree house baby)
(Let's just escape)
SpecialLets just escape
You and me
(Oh, he's special)
Let's just escape
Will you come into my tree house?
