Falling

Face to Face

It's really easy if you try
To tell another hundred lies
But I'm not going this timeJust when you think I'm over it
It's getting easy to forget
And I haven't even faced it yetI never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
Stop falling downI don't have anyone to blame
And I can't make anybody change
And I guess there's nothing more to sayI never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
Stop falling downAnd I won't believe it if you say that you will change
And I won't release you from responsibility
And I never wanted to come down on you this way
And I never wantedIt's really easy if you try
To tell another hundred lies
But I'm not going this timeI never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
I never wanted anyone to be so wrong for you
Stop falling down
