

# Black and Blue

## King Raam & Ali Eskandarian

Thereâ€™s time to arrival  
The time has gone away  
There was someone i called me  
But he has gone away  
Finfing and fighting along that ghost of me  
Since thereâ€™s a time and thereâ€™s such a shame  
Black and blue inside, just sitting there  
Why wonâ€™t you say that this time, it wonâ€™t be the same?  
Running and fighting all this hateful track  
I say what have we deprived ?  
Babe babe , ooh ooh  
There was a time to the arrival  
The time has gone away  
There was someone i called me  
But he has gone away  
Finding and fighting along that ghost of me  
Fighting, oh it is such a shame  
Shame, shame.
