

Happy Birthday to You, Our Lord

Ray Price

Happy birthday to you our Lord
Happy birthday to you our Lord
You spread your love to the whole human race
We are all nestled in your sweet embrace
You live in our hearts so we sing to your grace
Happy birthday to you our Lord(Happy birthday to you our Lord
Happy birthday to you our Lord)
You spread your love to the whole human race
We are all nestled in your sweet embrace
You live in our hearts so we sing to your grace
Happy birthday to you our Lord
(Happy birthday to you our Lord)
