I Don't Mind

Ten Foot Pole

The pedals go round and round, I'm low on gas
I've given up on going fast.
'Cause I've been here, and I've been there,
Not too much surprises me now
I've seen it all.
But I don't mind, I'll find the bright side one more time,
And I don't mind, I'll give it one more try.
Cause even if my legs are chopped off
As long as I have my thumb
I'll catch a ride.
