Tom Beek

Come really put your mind to itOoh oh ooh oh ooh oh

Calling Mr DJ

Ooh oh ooh oh ooh oh

Play that song for me

Ooh oh ooh oh ooh oh

Calling Mr DJ

I believe you'll set me freeAh Mr. DJ come on play my song

Ah Mr. DJ play it all night long

Come really put your mind to it

Come really put your mind to itAh Mr. DJ come on play my song

Ah Mr. DJ play it all night long

Come really put your mind to it

Come really put your mind to itCome really put your mind to it

Come really put your mind to it

Come really put your mind to it

Come really put your mind to itCome really put your... mind to itCome really put your mind to itPlay it on until
the morning rise

Play it on until me hold on, come on

Come really put your mind to it

Come really put your mind to itPlay it on until the morning rise

Play it on until me hold on, come on

Come really put your mind to it

Come really put your mind to itSet me free

Set me free

Set me free

Come really put your mind to it

Set me free

Come really put your mind to itI believe you'll set me freeCome really put your mind to it
