Erosion

Cymbals

Getting away, I'm an ocean
Try to make erosion
Happen in the dayNothing is as good as not win
Nothing else is coming
We'll not be the sameOh, I know, I feel
It's not a part of my heart
I know, I feel
I'm getting over this thingIt's not love
It's not loveThought you've thought to something I can't
Even see or describe
It's the way you talk
Getting away, I'm an ocean
Like dust in motion
I could make aloneOh, I know, I feel
It's not a part of my heart
I know, I feel
I'm getting over this thingI know, I feel
It's not a part of my heart
I feel, it's real
I'm getting over this thingOh, I know, I feel
It's not a part of my heart
I know, I feel
I'm getting over this thing
I know, I feel
It's not a part of my heart
I feel, it's real
I'm getting over this thing
