

# Choosing You

## Flesh for Lulu

Where did it all begin?  
Don't know yesterday  
Can't think of tomorrow You can't choose me  
'Cause I've chosen you And all I ever had is gone  
And lost, that's true  
I learn to forget all I can  
Walk, talk, stand like I am  
When I am choosing you You can't choose me  
'Cause I've chosen you  
No, you can't choose me  
'Cause I've chosen you  
Yeah, I choose you
