I'm You

Leona Lewis

How many times are you gonna take it?
Look in my eyes, help me make this make sense
Night after night, you sat up and cried
Wondering when you?re gonna see things clearer
Don?t even realize that this very moment
You?re talking to yourself in the mirror
It?s true
So you think I?m strong but you?re feelin' that you?re weak
Baby, I?m you
But we?re one and the same so you?re just as strong as me
Baby I?m you
And we deserve better it's time for us to leave
You know what to do, 'cause I?m not a fool so neither are you
Baby, I?m you
Oh, you?re not crazy
If only you?d realize that you and I is all the help we need
So why are we sitting here on the floor
Listen to me
We ain?t cryin' no more
I am your soul, I am your heart, my strength is yours
Baby, it's true
So you think, I?m strong but you?re feelin' that you?re weak
Baby, I?m you
But we?re one and the same so you?re just as strong as me

Baby, I?m you
And we deserve better it's time for us to leave
You know what to do, 'cause I?m not a fool so neither are you
Baby, I?m you
So pick yourself up right now, we?ve been here too long
We?ve overstayed it enough that might have been
It?s been a long time all gone
So wipe away the tears, ain?t nothing for us here
The time has come to move on
Baby, we deserve better
And we?re far too strong to let this go on
Baby, I?m you
So you think I?m strong but you?re feelin' that you?re weak
Baby, I?m you

But we?re one and the same so you?re just as strong as me
Baby, I?m you
And we deserve better it's time for us to leave
You know what to do 'cause I?m not a fool so neither are you
Baby, I?m you
Baby, I?m you
I?m you
