

# I'm You

Leona Lewis

How many times are you gonna take it?  
Look in my eyes, help me make this make sense  
Night after night, you sat up and cried  
Wondering when you're gonna see things clearer  
Don't even realize that this very moment  
You're talking to yourself in the mirror  
It's true  
So you think I'm strong but you're feelin' that you're weak  
Baby, I'm you  
But we're one and the same so you're just as strong as me  
Baby I'm you  
And we deserve better it's time for us to leave  
You know what to do, 'cause I'm not a fool so neither are you  
Baby, I'm you  
Oh, you're not crazy  
If only you'd realize that you and I is all the help we need  
So why are we sitting here on the floor  
Listen to me  
We ain't cryin' no more  
I am your soul, I am your heart, my strength is yours  
Baby, it's true  
So you think, I'm strong but you're feelin' that you're weak  
Baby, I'm you  
But we're one and the same so you're just as strong as me  
  
Baby, I'm you  
And we deserve better it's time for us to leave  
You know what to do, 'cause I'm not a fool so neither are you  
Baby, I'm you  
So pick yourself up right now, we've been here too long  
We've overstayed it enough that might have been  
It's been a long time all gone  
So wipe away the tears, ain't nothing for us here  
The time has come to move on  
Baby, we deserve better  
And we're far too strong to let this go on  
Baby, I'm you  
So you think I'm strong but you're feelin' that you're weak  
Baby, I'm you

But we're one and the same so you're just as strong as me  
Baby, I'm you  
And we deserve better it's time for us to leave  
You know what to do 'cause I'm not a fool so neither are you  
Baby, I'm you  
Baby, I'm you  
I'm you
