

# Amarok - Zorn Des Lammes III (w lyrics)

## Nargaroth

I have seen the wrath of the land.  
Cause I am a real life wolf among the sheep.  
I was a part of the wrath of the lamb.  
So I am a part of the wolf.  
I am the wolf. I am the lamb.  
So I am Satan and i am god.  
Call me a judas, call me insane.  
But I am what I am, I'm just a man..
