

Choir Girl

Cold Chisel

Looking like a choirgirl
She's crying like a refugee
Looking like a choirgirl
She's crying like a refugee One nurse to hold her
One nurse to wheel her down the corridors of healing
Well I've been trying
But she's crying like a refugee Loves me like a sister
Loves me like an only child
Loves me like a sister
She loves me like an only child She's my connection
I'll hold on
And never, never, never let her down
'Cause she's alone
And she loves me like an only child Suffer little children
Send that little child to me
All day the doctor
He handles his responsibility Looking like a choirgirl
Crying like a refugee
Looking like a choirgirl
Crying like a refugee She's my connection, yeah
I'll hold on
And never, never, never let her down
'Cause she's alone
And she's crying like a refugee Looking like a choirgirl
She's crying like a refugee
Looking like a choirgirl
She's crying like a refugee
Yes she is
