Gimme That

Sloan

You gotta gimme that gimme that now
Oh I'm gonna show you howI don't agree to that greed of that kind
Oh I thought you wouldn't mindOh you've gotta gimme that yeahOh you've gotta gimme thatStill I can't decide
(You know I can't decide)
Because my hands are tied
(You know know my hands are tied)
I wouldn't wait and see(You shouldn't wait and see)
If it were up to me
(If it were up to me)You're falling into that into that trapOh you're really such a sapBetter get used to it used to it 'cause
Now is not the way it wasOh better get used to it yeah
Oh better get used to itStill I can't decide
(You know I can't decide)
Because my hands are tied
(You know know my hands are tied)
I wouldn't wait and see
(You shouldn't wait and see)
If it were up to me
(If it were up to me)You know I can't decide
You know know my hands are tied
You shouldn't wait and see
If it were up to meSo take your nickel back nickel back I'mOh gunning for a dime
You got the gist of it gist of it now
Oh you're gonna feel my power
