

Gimme That

Sloan

You gotta gimme that gimme that now
Oh I'm gonna show you how I don't agree to that greed of that kind
Oh I thought you wouldn't mind Oh you've gotta gimme that yeah Oh you've gotta gimme that Still I can't decide
(You know I can't decide)
Because my hands are tied
(You know know my hands are tied)
I wouldn't wait and see (You shouldn't wait and see)
If it were up to me
(If it were up to me) You're falling into that into that trap Oh you're really such a sap Better get used to it used to
it 'cause
Now is not the way it was Oh better get used to it yeah
Oh better get used to it Still I can't decide
(You know I can't decide)
Because my hands are tied
(You know know my hands are tied)
I wouldn't wait and see
(You shouldn't wait and see)
If it were up to me
(If it were up to me) You know I can't decide
You know know my hands are tied
You shouldn't wait and see
If it were up to me So take your nickel back nickel back I'm Oh gunning for a dime
You got the gist of it gist of it now
Oh you're gonna feel my power
