It's Just a Matter of Time

[B.B. King](#)

Someday, someway you'll realize that you've been blind
Oh, darling you're gonna need me again
It's just a matter, a matter of time
Oh, go on baby, go on until you reach the end of the line
Hey, but I know, I know you're gonna pass my way again
It's just a matter, just a matter of timeOh, after I gave you everything I had,
hey, you know you laughed at me and you called me a clown
Ahw, but you must remember baby, in your search for fortune and fame,
hey, what goes up just gotta come down
I know, I know baby, oh, that someday, one day you'll wake up and find
oh, my love, my love is a true love
It's just a matter, baby just a matter of timeHey, after I gave you, gave everything I had,
you know you laughed at me and I can hear you say, "Look at that clown"
But you must remember baby, in your search for fortune and fame,
oh, what goes up, hey, you know it's got to come down
Oh, but I know hey, I know, I know baby that one day,
one day you'll wake up and find that my love,
my love is a true love
Hey, baby it's just a matter, just a matter of time
