

Ballin

Chief Keef

GBE baby,
Ballin', ballin', ballin', ballin' Bad bitches keep callin'
I swear this money keep fallin'
I bet its this bitch callin'
I don't even wanna start in
'Cause I'm ballin'
Bitch I'm ballin' Rollin' up this dope
Pop a nigga something like crisco
All I do is spend dough
I don't even know this bitch no mo'
'Cause I'm ballin'
So please bitch stop callin'
Bitch I'm Chief Keef
Every bitch know me
If the bitch don't know me
Let me tell you hoes bout me
Bitch I'm ballin'
And we shoot no talkin'
Rockin' in my pink dolphin
Finna pop me a blue dolphin
Broke ass niggas who talkin'
If you ain't talkin' money than you thru talkin'
Bitch I'm ballin'
On these broke niggas, I'm ballin'
Ballin', ballin' Bad bitches keep callin'
I swear this money keep fallin'
I'm best friends with Ben Shawty
I don't even wanna start in
'Cause I'm ballin'
Bitch I'm ballin'
Sippin' on that lean
I go hard for my team
Pockets filled with that green
I just blow it all on my team
'Cause I'm ballin'
Nigga I'm ballin' Ride around wit my 3 hunnas
All my niggas, we stuntin'
Spendin' commas, bitch it's nothin'
And I'm eatin, got me a big stomach

'Cause I'm ballin'
I'm ballin', I'm ballin'
I be countin' them stacks
Crackin' cards, get back
I gets me a big check
And everything designer but it's mismatch
'Cause I'm ballin'
I'm ballin' like spaldin'
True's off my ass
Pockets filled with that cash
Niggas see me, they mad
Bitches see me, they pants I'm in fallin'
Now I'm through talkin'
'Cause I'm ballin', I'm ballin' Bad bitches keep callin'
I swear this money keep fallin'
I'm best friends with Ben Shawty
I don't even want you darling
'Cause I'm ballin'
Bitch I'm ballin'
Sippin' on that lean
I go hard for my team
Pockets filled with that green
I just blow it all on my team
'Cause I'm ballin'
Nigga I'm ballin'
