

Femme Fatale

Tom Tom Club

Here she comes
You better watch your step
She is going to break your heart in two
It's trueIt's not hard to realize
Just look into her false colored eyes
She'll build you up just to put you down
What a clown'Cause everybody knows she's a femme fatale
The things she does to please, she's a femme fatale
She's just a little tease, she's a femme fatale
See the way she walks, hear the way she talksYou're written in her book
You're number 37, have a look
She is going to play you for a fool
Yes, it's trueLittle boy she's from the street
Before you start you're already beat
She is going to smile
Just to make you frown, oh, what a clown'Cause every body knows, she's a femme fatale
The things she does to please, she's a femme fatale
She's just a little tease, she's a femme fatale
See the way she walks, hear the way she talks'Cause everybody knows, she's a femme fatale
The things she does to please, she's a femme fatale
She's just a little tease, she's a femme fatale
She's a femme fatale
