

The Sidewinder Sleeps Tonite

R.E.M.

This here is the place where I will be staying
There isn't a number, you can call the pay phone
Let it ring a long, long, long, long time
If I don't pick up, hang up, call back, let it ring some more
If I don't pick up, pick up
The sidewinder sleeps, sleeps, sleeps in a coil
Call me when you try to wake her up, call me when you try to
wake her
Call me when you try to wake her up, call me when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
There are scratches all around the coin
slot
Like a heartbeat, baby, tryin' to wake up
But this machine can only swallow money
You can't lay a patch by computer design
It's just a lot of stupid, stupid signs
Tell her
Tell her she can kiss my ass then laugh and say
That you were only kidding
That way she'll know that
It's really, really, really, really me, me
Call me when you try to wake her up, call me when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
Baby, instant soup doesn't really grab me
Today I need somethin' more sub-sub-sub-substantial
A can of beans or black eyed peas, some nescafe and ice
A candy bar, a fallin' star or a readin' of doctor Seuss
Call me when you try to wake her up, call me when you
try to wake her
Call me when you try to wake her up, call me when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
The cat in the hat came back, wrecked a
lot of havoc on the way
Always had a smile and a reason to pretend
But their world has flat backgrounds and little need to sleep but to dream
The sidewinder sleeps on his back
Call me when you try to wake her up, call me when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
I can always sleep standin' up, call me when you try to wake her
Call me when you try to wake her up, call me
when you try to wake her
Call me when you try to wake her up, call me when you try to wake her
I can always sleep standin' up, call me when you try to wake her
Call me when you try to wake her up, call me
when you try to wake her
I can always sleep standin' up, call me when you try to wake her
I can always sleep standin' up, call me when you try to wake her
We've got to moogie, moogie, move on this one
