# Swing My Way (feat. Sevyn Streeter)

## B.o.B

[Intro: Sevyn Streeter]
Shawty swing it my way
What you waiting for baby?
Are you gonna take it?
Won't you please swing it my way
Shawty swing it my way[Verse 1: B.o.B]
I was out on the town, whipping and swinging
Got my head on a swivel 'cause niggas be scheming
I had just got off the phone, my partner told me "be easy"
It ain't got no definition, we just all know the meanings
I pull up to the spot, told the valet to leave it
Runned into a little cutie she look like Jennifer Freeman
A couple feet to my right, i could see she was speaking
I couldn't hear what she was saying 'cause the DJ was screaming[Pre-Hook 1: B.o.B]
So I walked over to her slowly, she don't smoke and she don't drink
Well you gon' fail your drug test 'cause all I got is dope D
I know you don't know me, but you could be my only
She whispered in my ear and this is what she told me
[Hook: Sevyn Streeter]
Shawty swing it my way
What you waiting for baby?
Are you gonna take it?
Won't you please swing it my way
Shawty swing it my way
If you're feeling how I'm feeling then probably
There's a million ways that we can get it started
I'm feeling so naughty
Swing it my way shawty[Verse 2: B.o.B]
They say it's better to give than it is to receive it
That's why I give her all I got, my bad for overachieving
Get your ass out them secrets from Victoria's Secret
Back and forth with those lips, now that's a verbal agreement
You say your man out of season, he probably cheating
That booty the dumbest, but that head is a genius
You could check out the stroll, you swear I was skiing
Fell asleep in that pussy, woke up, thought I was still dreaming[Pre-Hook 2: B.o.B]
But then she pull me close and cozy, she don't smoke and she don't drink
Well you gon' fail your drug test 'cause all I got is dope D
I know you don't know me, but you could be my only

She whispered in my ear and this is what she told me[Hook: Sevyn Streeter][Outro: Sevyn Streeter and B.o.B, Union]
You looking good shawty, good, sure enough, good enough for me (x4)
So bring it over to me[Outro: Sevyn Streeter]
I'll love you right, all day and night
Everything that you want, boy already know
So you gonna see, how good it can be, come home with me. oooh
I been watching you from across the room
I wanna know your name, won't you swing my way?
Shawty come my way, swing my way
Oooh, swing my way, swing my way
Swing my way, shawty, oooh
