

# Turn Myself In

## The Saturdays

I was standing by the bar on a table  
I could hardly breathe  
Didn't fight you no I couldn't say no, cos you were onto me.

You don't know what it's like, I need you bad I feel alone  
You don't know how it feels, just like a criminal

Turn myself in tonight, this is me coming clean with my hands up  
Turn myself in tonight, cos I know that alone I'm in danger  
Turn myself in truly, warned you bad, you should have me in handcuffs  
Turn myself in tonight, this is me coming clean with my hands up.

You'll hear the sirens going, ho ho ho, ho oo ho ho ho  
You'll hear the sirens going, ho ho ho, ho oo ho ho ho

No escape as our bodies move closer  
I find it hard to leave  
It's a tense little touch and it lingers  
Like a crown that's put on me

You don't know what it's like, I need you bad I feel alone  
You don't know how it feels, just like a criminal

Turn myself in tonight, this is me coming clean with my hands up  
Turn myself in tonight, cos I know that alone I'm in danger  
Turn myself in truly, warned you bad, you should have me in handcuffs  
Turn myself in tonight, this is me coming clean with my hands up.

You'll hear the sirens going, ho ho ho, ho oo ho ho ho  
You'll hear the sirens going, ho ho ho, ho oo ho ho ho

Can hear the blue lights coming for me  
Take me, take me  
You could lock me up but I'll still be free

Turn myself in tonight, this is me coming clean with my hands up  
Turn myself in tonight, cos I know that alone I'm in danger  
Turn myself in truly, warned you bad, you should have me in handcuffs  
Turn myself in tonight, this is me coming clean with my hands up.

You'll hear the sirens going, ho ho ho, ho ho ho ho ho

You'll hear the sirens going
