

Carmelita's Eyes

Neil Diamond

Quizas algun dia
La encuentre otra vez alli
En una frontera
Me robo el corazon Yo sabia que a ella la perdia
Vi todoun mundo enCarmelita's eyes
She took me somewhere,
Somewhere that's far beyond
Was going no whereAnd I couldn't go for long
The waitin' and prayin'
Was makin' me tell myself lies
And all I could see was myCarmelita's eyes
Vi todoun mundo en
Carmelita's eyes
How did I live it before?I just don't understand
Afraid that she'd read me and
Finally deceive me
I closed my eyes and I ranBut I want to be
Carmelita's man
Hey, hey
Yes I lost her 'cross the borderIt was higher than I realize
And I left my whole world in
Carmelita's eyes
Vi todoun mundo enCarmelita's eyes
I saw the whole world in
Carmelita's eyes
Vi todoun mundo enCarmelita's eyes
I saw the whole world in
Carmelita's eyes
