# Dressed in Black

## Sia

I had given up
I didn't know who to trust
So I designed a shell
Kept me from Heaven and Hell
And I had hit a low
Was all I let myself know
Yeah I had locked my heart
I was imprisoned by dark[Chorus]
You found me dressed in black
Hiding way up at the back
Life had broken my heart into pieces
You took my hand in yours
You started breaking down my walls
And you covered my heart in kisses
I thought life passed me by
Missed my tears, ignored my cries
Life had broken my heart, my spirit
And then you crossed my path
You quelled my fears, you made me laugh
Then you covered my heart in kissesI was down for the count
I was down, I was out
And I had lost it all
Yes I was scared, I was torn
I took to the night
I'd given in to the fight
And I slipped further down
I felt like I had drowned[Chorus]
You found me dressed in black
Hiding way up at the back
Life had broken my heart into pieces
You took my hand in yours
You started breaking down my walls
And you covered my heart in kisses
I thought life passed me by
Missed my tears, ignored my cries
Life had broken my heart, my spirit
And then you crossed my path
You quelled my fears, you made me laugh

Then you covered my heart in kisses
