

Tear Away

Drowning Pool

I'm tearing away
Pieces are falling I can't seem to make them stay
You run away
Faster and faster you can't seem to get away
Break
Hope there's a reason
For questions unanswered I just don't see everything
Yes I'm inside you
Tell me how does it feel to feel like this
Just like I do
I don't care about anyone else but me
I don't care about anyone
Do I really want this
Sometimes I scare myself I just can't let it go
Can you believe it
Everything happens for reasons I just don't know
I don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyone or anything but me
God damn I love me
I don't care about anyone else but me
I don't care about anyone
I don't care about anyone else but me
I don't care about anyone or anything
I don't care about anyone else but me
I don't care about anyone
