All You Need Is Love

Lynden David Hall

Love, love, love Love, love, love, love,

love, love, love, (Love) There's nothing you can do that can't be done
(Love) There's nothing you can sing that can't be sung
(Love 4x) Nothing you can say but you can learn to play the game
It's easy(Love) Nothing you can make that can't be made
(Love) No one you can save that can't be saved
(Love 4x) Nothing you can do, but you can learn to be you

It's easyAll you need is love

All you need is love

All you need is love, love,

love is all you needAll you need is love

All you need is love

All you need is love, love,

love is all you need(Love) Nothing you can know that isn't known (Love) Nothing you can see that isn't shown

(Love 4x) No where you can be that isn't where you're meant to be,

It's easyAll you need is love

All you need is love

All you need is love, love

Love is all you needAll you need is love

All you need is love

All you need is love, love

Love is all you needLove is all you need

(repeat until end)
