

Run Away (with Shelby Lynne)

LIVE

"Looks like I've lost my will to carry on my friend", she said
And you can hear it in my whispered cries for love
I need your blissful talks to carry me away again
So can we roll tonight, run through your desert can we start over? And just run away, run away tonight
It ain't no victory, but I don't care, I don't care if it's wrong or right
We could just run away, run away tonight
It ain't no victory, but I don't care, I don't care if it's wrong or right" Looks like I've lost my will to carry on my
friend", she said
I'm like the posse that's been ridin' for days
I got the scars to prove that love has had it's day and it's way with me
So can we roll tonight, run through your desert can we start over? And just run away, run away tonight
It ain't no victory, but I don't care, I don't care if it's wrong or right
We could just run away, run away tonight
It ain't no victory, but I don't care, I don't care if it's wrong or right This ain't no night to be on your own
You've got to know where you're comin' from
To know just where you're going on
You got to know where you're comin' from
This ain't no night to be on your own Run away, run away tonight
It ain't no victory, but I don't care, I don't care if it's wrong or right
We could just run away, run away tonight
It ain't no victory, but I don't care
I don't care, I don't care, I don't care, I don't care
Run away, run away, run away
