

I'll Be there for You

Aiza Seguerra

When you wake up each morning
And you feel like calling
I'll be there for you
When the road seems uncertain
And you can't stop the hurtin'
I'll be there for you
When there's no one beside you
I'll be there to guide you
Catch you each time you fall
When the stars won't shine anymore
I'll be there
When the world is unkind
And your dreams, they need more time
I'll be there for you
If the rules, they keep breakin'
And the future is fadin'
I'll be there for you
The rainbow will land
In the palm of your hand
Don't ever let it go
When the stars won't shine anymore
I'll be there
Who knows where we'll go
What will tomorrow bring?
When we have each other
Just hold on tight
We can take to the skies,
And fly
I'll be there for you
I'll be there for you
The rainbow will land
In the palm of your hand
Don't ever let it go
When the stars won't shine anymore
I'll be there
The rainbow will land
In the palm of your hand
Don't ever let it go
When the stars won't shine anymore
I'll be there
I'll be there
