

Lost Beneath A Silent Sky

Echoes of Eternity

Staring into nothing
Questioning what is real
We don't share the same realityPersonal perception
Life's your own creation
What you see now is really what you reallyLost beneath the silent sky
Yearning to know the reasons whyWant to know what's out there
Want to be made aware
Of what we cannot see but feelWhere does it begin
And where does it end?
I want to venture out beyond what is knownLost beneath the silent sky
Yearning to know the reasons why
Lost beneath the silent sky
Yearning to know the reasons whyDon't hesitate
Make your own wayLost beneath the silent sky
Yearning to know the reasons why
Lost beneath the silent sky
Yearning to know the reasons why
