

I'm a Gangster

Southland Gangster Click

Im a gangster
Im a straight up G
The gangster life is the life for me
Shooting people by day selling drugs by night
cuz Being a gangster is hell up tight
I walk around town with a stark erection that gave your mom a yeast infection
I saw the police-man and i punched him in the eye
To serve and protect what a lie
I also dont like white people you shouldnt to
And dont get me started about the jews
Im a gangster grrr im mad
Im a gangster my rhymes are bad
Im a gangster im iced out like a freezer
Im a gangster i dont listen to weezer
I dropped out of school at the age of 3

WHY?

cuz all the teachers tried to player hate on me
O!

My rhymes are cool just like doing cocaine
My rhymes are hot like a burning flame
Cisco is my hommie he's a gangster to
Me and cisco are the leaders of the gangster crew
I like to be in jail and he likes to sing and dance
Some say were the perfect match

*Step off step back step away step back dont step forward step back dont step forward step backwards No not
step to me do not step to me

Im giving a shout out to all my hommies in cell block eight
being in jail sucks cuz you always have to masterbate
Except when a jewish person goes to jail all my hommies cheer
they will make mintsmeat out of his rear
ben petty helped me make the gangster beat to this song
I shot him in the face cuz he looked at me wrong
Im a gangster i drop bombs like hiroshima
Im a gangster b**** suck on my weiner
Im a gangster i drive a cool car
Im a gangster i smoke weed in a cigar
Yo my gangster flow
Yo
Yo yo yo

Yo

Im rolling on dubs iced out like hockey
I got kicked out of japan for drinking all the saki

F*** a b****

Give me head ho

Whats up to my dogs

Yo yo yo

They play this song on the radio all day long so everyone can hear my gangster song

Nobody thought i would blow up like a firestone tire

Oh theres no beat left

Die die die santa claus die
