Didn't I

Lisa Stansfield

I didn't realize, that you were someone else
Until it was too late
So fooled by your disguise, carried away
I thought you were my friendBut things change and you along with them
Gone are the days when
We laughed through the night
And it will never be the sameI said it wouldn't last forever didn't I, didn't I?
Don't want to say I told you so but didn't I?
I gave you all my heart and soul and didn't I cry?
But somewhere deep in your heart
Deep down inside, I got to you
Oh baby didn't I?We made no promises, we lived for every moment
Together come what may
What need was there to lie, for Heaven's sake?
I loved you anywayBut things change and time heals the wounded
Where there was pain
There's a scar on my heart
Now I can't look at you the sameI said it wouldn't last forever didn't I, didn't I?
Don't want to say I told you so but didn't I?
I gave you all my heart and soul and didn't I cry?
But somewhere deep in your heart
Deep down inside I got to you
Oh baby didn't I?Say didn't I baby? Yeah
I gave you all my heart and soul and didn't I cry?
Somewhere deep in your heart, deep down inside
Tell me oh baby, babe
I got to you didn't I, didn't I?
You found her baby 'cause I did, didn't I?
I gave you my heart, I gave you my soul, didn't I?
Somewhere deep in your heart
Deep down inside, ohh baby didn't I?I got to you, oh baby
I got to you
Whey aye aye, oh yea yea
Didn't I, didn't I, baby?
