

One

The Paradise Band

There's a cry
That's rising up
Are we moved enough to touch Your heart?
Hear our prayer and let it move Your hand
Oh God We Cry
On behalf of those
Who can't lift their voice alone
Take our hands and feet
And them be for You
Oh God We've got one heart
And one mind
We stand united
Under Jesus Christ
We will live the name of Jesus high There's a world
Who need to know
That hope resides in You alone
You're the answer to our prayers
You're what we need
Oh God Every knee will bow
Every eye will see
One day He will come
We'll behold our King Nations will declare
Kingdoms will return
We will stand in awe
One heart, One God
