$10 Bill

Cop Shoot Cop

$10 bill in your packet, $10 bill
What you gonna buy with that greenback ?
What kind of thrill ?
$10 bill in your packet, $10 bill
Tell me where did you get that money ?
Who'd you have to kill ? (Rock!)
Got a big black gun in my pocket, got a big black gun
It's time to share the cash now, nowhere to run
Got a big black gun in my pocket, got a big black gun
Let's find a 7-11 and have some fun
10 a.m. landlord's knocking, knocking on my door
Don't you know I got no money, I can't give no more
2 p.m. landlord's back in [Marshall's coming], trying one more time
You can knock the damn door down
But you ain't gonna get a dime
