Oh Carol

Smokie

Oh Carol
Well, I was out cruisin', gettin' late and I was losin'
When I saw you walking my way
So nonchalant I bet you get what you want but so do I
And I ain't losing' today
Well your hips were swinging and your jeans were clinging
You were driving me out of my mind.
On a hot afternoon when there's nothing to do
You're not the sort of thing a fellow should findSo I pulled on over, tossed your hair off your shoulder
As you turned and you looked my way
Oh you would have died or you'd have skinned me alive
It I'd have said what I wanted to say
So, being polite, say ,,What you doin' tonight?"
You said ,,Just so happens I'm free."
You got all the right curves and all the right words and that's alright by me.Oh, Carol, you got me eatin' my heart away
You got me countin' my nights and days
Oh, I'm floating on the Milky Way.
Oh, Carol, nobody's done it before.
Oh, baby, you've opened the door
Oh, Carol, you can do it some more.Well, if you're ready for this, when we started to kiss
She said ,,Hold on a minute or two."
Well, nat'rally I knew it couldn't be me
I said ,, Oh, baby, what's troublin' you?"
She said ,,I'm not sixtten, if you know what I mean."
So we sat and talked for a while
And when we finally kissed, you know she didn't resist
And I must say she did it with styleOh, Carol, you got me eatin' my heart away
You got me countin' my nights and days
Oh, I'm floating on the Milky Way.
Oh, Carol, nobody's done it before.
Oh, baby, you've opened the door
Oh, Carol, you can do it some more.Well, I was out cruisin', gettin' late and I was losin'
When I saw you walking my way
So nonchalant I bet you get what you want but so do I
And I ain't losing' todayOh, Carol...
