

Kiss Off (Remastered Album Version)

Violent Femmes

I need someone a person to talk to
Someone who'd care to love
Could it be you could it be you
Situation gets rough then I start to panic
It's not enough it's just a habit
Hey kid your sick well darling this is it
You can all just kiss off into the air
Behind my back I can see them stare
They'll hurt me bad but I won't mind
They'll hurt me bad they do it all the time
Yeah yeah they do it all the time
I hope you know this will go down
On your permanent record
Oh yeah well don't get so distressed
Did I happen to mention that I'm impressed
I take one one one cause you left me and
Two two two for my family and
Three three three for my heartache and
Four four four for my headaches and
Five five five for my lonely and
Six six six for my sorrow and
Seven seven for no tomorrow and
Eight eight I forget what eight was for and
Nine nine nine for a lost god and
Ten ten ten ten for everything
Everything everything everything
